HIGASHIYAMA SKY TOWER

東山スカイタワー

**About**

Higashiyama Sky Tower is a landmark of the east part of Nagoya city in Aichi Prefecture. From the observation rooms of the tower, which stands at a corner in Higashiyama Park, visitors can admire one of the largest parks in Japan. A magnificent view of the Central Alps, Mt. Ontake and Mt. Ibuki are also overlooked from the observation rooms. Visitors are also fascinated by the night view, which was selected as one of the most beautiful night views in Japan. At the foot of the tower, guests can spend an entire day visiting the zoo where they can see adored Koalas and the botanical gardens that contains an extensive collection of the world's plants.
